

Little Missenden CE Infant School

Sports Premium Report 2023

PE is a vital part of the curriculum at Little Missenden.

Our sports premium is used to raise attainment and enjoyment of sport, train staff, and to ensure our children experience an ambitious, sequential and coherent curriculum. Our objectives in spending our sports funding are as follows:

- Providing teachers with opportunities to observe high quality PE and Games lessons taught by a qualified sports teacher, raising standards in PE lessons.
- Provide the opportunity for our children to be taught by a teacher with the appropriate sports and Forest School training.
- Provide children with the opportunity to attend sports events and competitions with other schools, providing them with the opportunities to apply and develop their skills and increase their sporting confidence.
- Ensure the curriculum is ambitious, sequential and coherent.

To achieve this we:

- Work with the Youth Sports Trust to provide support and training for school staff.
- Participation at sports events, such as the Holmer Green Sports Partnership and the Small Schools Country Dance Festival.
- Employ a qualified Sports teacher to ensure all children have access to PE and Games sessions, to train staff in leading the PE and Games curriculum and to oversee curriculum to ensure the PE and Games curriculum is ambitious, sequential and coherent.
- Employ a qualified Forest School teacher to ensure all children have access to regular Forest School, and to train staff.

The Impact on Pupil Participation and attainment leading to all pupils developing a healthy lifestyle is as follows:

- 100% of children in school receive 2 hours of quality PE provision within the curriculum.
- 100% of children are taught by an appropriately trained teachers.
- 100% of children attend regular sports festivals.
- 100% of children participate in Forest School each year.
- Staff training increasing staff expertise in teaching the PE curriculum.
- The curriculum is ambitious, sequential and coherent.
