

Newsletter: Friday 15th January

Dear Parents

We have made it through week 2 and I have to say, I continue to be impressed at the hard work and enthusiasm of the children while working remotely. Our staff are also working hard to support parents and children alike. Here is an update on what the children have been up to this week:

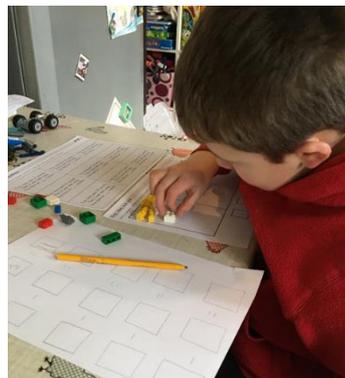

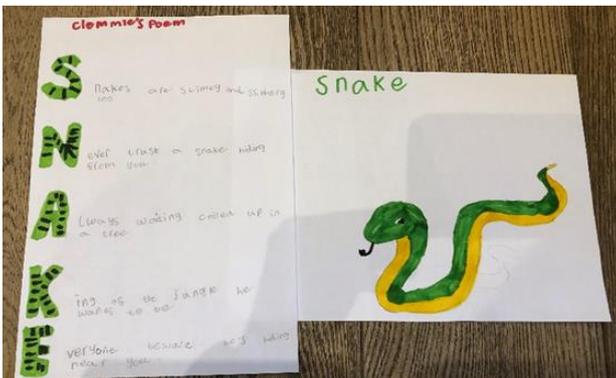

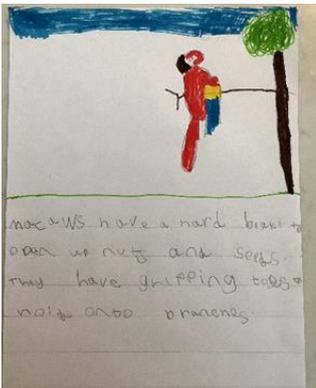

Owl Class News

Owl Class have had another wonderful week of online learning and we continue to be amazed by their efforts and engagement.

This week, Owl Class welcomed Miss Steele, a first-year teaching student. The children enjoyed her story telling session and were exhausted after a wonderful game of Simon Says during P.E.

In maths this week, Year 1 children have continued to have lots of fun practically exploring subtraction. We were very impressed with the number of children trying the trickier challenges and using larger numbers.

The topic continues to be a hit. We have been blown away by the stunning recreations of Henri Rousseau's 'Surprise!' Many of you used natural items to create collages and we found it hard to spot those crouching tigers. We have also enjoyed listening to your video renditions of the 7 continents song. We have looked at Rumble in the Jungle and rhyming poems and heard some wonderful poem recitals.

friendship, thankfulness, honesty, forgiveness, compassion and trust

We hope that you have enjoyed exploring some of the creatures of the Rainforest and are pleased that you have all managed to enjoy some muddy puddle walks.

Thank you for another fun week, enjoy your weekend and we look forward to seeing you all again next week for more fun and interesting lessons.

The KS1 Team

Robin Class News

This week Reception and Nursery have been thinking about the months of the year. We have talked about the seasons and the changes in the weather we might expect to notice.

The children have produced some super art work to reflect Autumn, Winter, Spring and Summer. Another highlight of the week was creating our own volcano eruptions whilst learning about the phoneme v.

The Early Years Team

I hope you have a relaxing weekend and will be all set for week 3 of remote learning by Monday!

Warm regards

Mrs Green
Head Teacher
