

# Newsletter: Friday 29<sup>th</sup> January

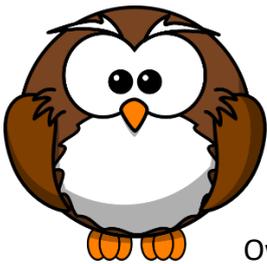

Dear Parents

Well week 4 of remote learning was dominated by snow! The lovely pictures we have received show that lots of you certainly made the most of it, so we are including a selection of them with our weekly update.

The children are now pros at navigating through the live lessons, but I would just like to ask that if you have not done so already, that you read through our remote learning policy which can be found [here](#).

As you know, schools will close for all pupils for the half term break, however, if you are a frontline critical worker who needs provision over half term, please contact the office as Buckinghamshire County are looking at the possibility of providing some central provision.

## Owl Class News

Owl class have had a very busy and exciting week. The children enjoyed the welcome break of the snow and engaged in many practical activities. Once again, we have seen an array of excellent learning at home and in school.

Owl class have written their own stories based on Michael Rosen's 'We're Going on a Bear Hunt.' We have been impressed with their use of onomatopoeia and their adjectives. We are excited to hear them all next week as part of our live story telling sessions.

We are delighted to share the photos of some of the exciting activities Owls got up to in the snow!

**friendship, thankfulness, honesty, forgiveness, compassion and trust**

Maths this week has been all about measure. The children have worked on using the appropriate mathematical language and have begun to use rulers to measure objects around the home. We have enjoyed their successes in our live lessons.

### **Robin Class News**

This week we have looked at birds, their habitats and lifecycle, and have made edible nests, bird feeders and counted the number and types of birds that visits our gardens. In science we have tried our own "Eggsperiments."

Robins have also enjoyed participating in 'show and tell' during our morning meet, it is always lovely to listen to the children talk about some of their favourite things. We have also had great fun working with Miss Steele, listening to a story and joining her for PE.

Here are some pictures of what Robins and Little Robins got up to in the snow.
