

Newsletter: Friday 19th March

Dear Parents

It has been a delight to have the children back in school these last two weeks, they have settled back into the school routines with ease and it is great to see them reunited with their peers. We have had an extremely busy 2 weeks with ZooLab, PE sessions with the Holmer Green Sports Partnership, cooking with Chef, Yoga sessions and Forest School.

Today we have celebrated all things funny with Comic Relief, we have raised an amazing £186 at last count! Thank you for all your donations, if you haven't donated yet, there is still time, just go to www.parentpay.com. The children looked amazing in their outfits, we had superheros, NHS workers, Dads and even a Captain Tom!

Owl Class News

Owl class have had another action-packed week. Children have enjoyed writing their own version of the story 'Tiger Child' by Joanna Troughton. They have worked hard to introduce adjectives and imagery into their written work, with great success. We are excited to share their mini books with you at parents evening.

In maths, the children have been working well with fractions. Children worked practically to cut shapes into halves and quarters. They have also been colouring and shading fractions and we will continue to look at this concept over the coming weeks.

Children have also enjoyed a number of activities that promote healthy minds and well-being. Both year groups enjoyed a multi-skills course with the school's sports partnership, Year 1 enjoyed Forest School and Year 2 relaxed with Mrs Ellis in Yoga.

Finally, the children all enjoyed learning about why Red Nose day is important and how they have supported a great cause. We loved their inspiring costumes!

Robin Class

Robins and Little Robins have been busy exploring the world of dinosaurs this week. We have talked about fossils and enjoyed digging for some “dinosaur bones.” We then compared them developing our mathematical language, sorting the longest and shortest.

We also did some measuring using cubes and rulers. The children helped to create a dinosaur swamp and loved watching the reaction between vinegar and bicarb of soda as volcanoes erupted. We talked about the features of the different dinosaurs and added labels to the dinosaur pictures.

Next week we will be turning our focus to Spring as many of the children have enjoyed spotting and talking about the spring flowers in the garden.

Digging for dinosaurs

Film Club

Thank you to everyone who has signed up to Flim Club next Friday, there is still time to sign up if you wish, just pay via ParentPay and return the form to your class teacher or email it to the office.

Little Robins/Robins are going to watch “Paw Patrol – Easter Egg Hunt” and Owl Class have voted to watch “Turbo”!

Please take some time to read the diary dates below, especially note when your child has Forest School as it means coming to school in appropriate clothing and bringing wellies.

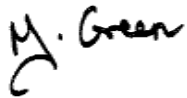

Next week Year 2 have Forest School on Monday and we have class photos on Tuesday; please ensure your child is wearing full Little Missenden uniform that day.
