

NEW GARDEN AT LITTLE MISSENDEN CE INFANT SCHOOL

Over the last few month PSALMS have been working very hard to re design and build the garden at the front with the help of the children of course! The children had a chance show us their ideas in the "Design a Garden" competition.

Name Sebastian Hudson Year Reception class
 Little Missenden Infant School Garden Design Competition

This is your chance to help redesign our garden!
 Fill the space with your favourite flowers and vegetables
 And don't forget to put in anything else you'd like to have, like somewhere to sit, a wildlife area or anything else you'd like!
 Good luck!

PROGRESS - The garden now has a new gate and path, and the beginnings of a seating area. Since the beginning of the year, Mrs Lee, Mrs Hudson and Mrs Pritchard and the team who have been working very hard, planting and making a willow arch, and once Spring comes it will be a lovely place for the children to visit and help maintain.

OUR NEW GARDEN!
 THANK YOU PSALMS!
