19 February 2024

Consultation on a proposal to change the school's age of admission.

I am writing to you to inform you of a proposal by the governing board of Little Missenden Infant School to change the school's admission age to 2 from its present 3, thus enabling the school to operate a Governor Run Nursery provision on site. The proposed date for this to be effective is September 2024. This letter is formal 6 weeks' notice of the consultation period for this proposal. The consultation will run from 19th February 2024 till 1st April 2024 at 1pm.

What would be the benefit of the proposal?

This proposed move will also give maximum flexibility to choose the best staffing model appropriate to the children attending the Nursery and will ensure that a high-quality Early Years provision is provided to the children in the Nursery.

What will this mean?

A governor led Early Years Nursery provision established by schools under the Department of Education Section 27 powers will allow us to operate with a ratio of 1:8 for 3 year olds and 1:5 for 2 year olds where at least one member of staff holds the appropriate practitioner qualification. Section 27 of the Education Act 2002 enables maintained schools to set and run community facilities and services whose provision furthers any charitable purpose for the benefit of a) the pupils of the school or their families or b) people who live and work in the area in which the school is situated. This is the power under which the school governor-run community provision is proposed to be set up.

This will apply to the community provision and give the flexibility to use the most effective and appropriate staffing model for the children. The governors will ensure that the provision is of a very high quality, properly supervised and run by qualified nursery practitioner. The Early Years Foundation Framework sets out requirements that all Early Years providers, including schools, must follow. General guidance on staffing states that the staff must be available to work directly with the children. We will continue to provide an excellent provision for the children, this will not change. The Nursery will continue to share the facilities in the school including the outdoor areas.

Do staff and Governors support this proposal?

Yes the governing board, the school leadership and the Early Years team at Little Missenden Infant School positively support the proposal as they believe that it would benefit current and future pupils and the local community.

Will the proposal disrupt the education of the pupils currently at the school?

No, as the provision will be housed in the purpose built Nursery building.

Why are we consulting now?

We are keen to understand the views of our local community on this proposal and so, as per best practice recommended by the Department of Education we have incorporated a period of consultation into the decision making process. The consultation will run from 19th February 2024 till 1st April 2024 at 1pm.

'Rooted and grounded in love' Ephesians 3:17
friendship, thankfulness, honesty, forgiveness, compassion and trust

Will there be extra traffic and how will the impact be reduced?

As our Nursery is small, very few places will be offered, the maximum additional places will be 5, so this will have a limited effect on traffic around the school.

Will the proposal have any impact on admission to the school's reception class?

No, current admissions to the School remain unchanged and will not be affected by the proposal. Please see Buckinghamshire Council's website, or the school's website [Little Missenden Church of England Infant School - Home \(littlemissendenschool.co.uk\)](http://Little Missenden Church of England Infant School - Home (littlemissendenschool.co.uk)) for the specific criteria for school admission.

What are the next stages in the process?

Responses will be received throughout the consultation process which ends at 1pm on 1st April 2024. These will be analysed and the school will publish the outcomes on its website. If the governing board decide to proceed with the proposal, the board will plan and publish their final decision. If the proposal goes ahead, we would look to promote the nursery from 3rd July 2024.

How can I respond to this consultation?

Please complete the attached consultation response form and return it to the school for the attention of The Governing Body of little Missenden Infant School. Alternatively email the school to share your view or arrange an appointment to discuss in person: office@littlemissendenschool.co.uk

We would really welcome your views on our proposal and look forward to receiving your completed response from. Should you have any additional queries please contact us at the address above.

Thank you for your interest

Yours sincerely
