Friday 13 February

It has been a busy start to the year, there has been plenty of creativity, new learning and enthusiasm in the school and now I think we are all ready for a break!

We'd like to share some of the highlights from across the school, along with a few reminders and upcoming dates. Thank you, as always, for your continued support.

Film Night

Thank you to everyone who supported Film Night on Friday, the children really enjoyed "Dogman", and we raised £184! The money raised is being added to the money donated at Christmas and will be used to purchase more playground equipment.

Franks Coffee Truck

The forthcoming dates for Franks Coffee Truck are:

12th March
23rd April
14th May

Thank you to everyone who buys hot drinks: Every hot drink sold raises money for the school, so it is a great way to start the day with a good coffee whilst raising money.

World Book Day

WORLD
**BOOK
DAY**
5 MARCH 2026

We will be celebrating world book day with a week of reading focussed activities across the school, then on **Thursday 5th March** the children are invited to come dressed as their favourite book character and bring a book to share. More information will follow after half term.

Parents' Evenings

In the week commencing 16th March we will hold our Parent Consultation Evenings, this is a chance for you to meet with the class teachers to discuss your child's progress. Letters will be sent out straight after the half term break, the dates are below:

Little Robins: **Wednesday 18th March 3pm -5.15pm**

Many thanks for your support!

School News

Robins and Little Robins

Little Robins have been wrapping up and getting out in the rain. Splashing in puddles, testing the slide to see how much faster we go in our waterproofs and painting in puddles with powder paint.

Robins and Little Robins took part in National Storytelling week, sharing their favourite stories, acting them out and making up their own. Robin Class focussed on the musical poem "Earth Worms" by Simon Mole, creating a class story and then designing and building their own bug characters of clay and other materials and creating individual stories. The class also took part in the 'Great British Bird Watch.'

This week we are introducing Chinese New Year, which has involved exploring its meaning, food tasting and creating Chinese lanterns.

Owl Class

Owl class have been looking at Kenya in Geography. It has been great to see the children using maps, discussing climate and learning more about the Maasai Mara.

We've been blown away with the children's digital artwork - we've been exploring and creating our own art in the style of pointillism and Picasso.

We've been learning our song for Little Missenden Festival and can't wait to share that with all the parents after half term. Last week we practised with some of the musicians which was an amazing experience for the children – the harpist with its beautiful sounds that carried around the school was probably the most popular!

Thank you to everyone who has returned their forms for the Little Missenden Festival on 9th March. If you haven't returned your consent and lunch form, please could you ensure all paperwork is returned on the first day back after half term.
